We are passionate about helping people express themselves creatively.

Symmetry Supports offers a range of fun group activities for everyone.
Currently offering Music Jams, Hip Hop/Lyric writing, Photography Basics and more.

Music Jams

- Create, Learn and Explore music
- Whether you tap along, sing, strum, dance, drum or play like Mozart
- Identify musical instrument and interests' participants might wish to explore
- Engage participants to explore all musical genres
- Support participants to learn identified musical pieces
- Support participants to write, record and perform their own musical piece of desired

Photography Basics

- Learn the basics of photography with your own camera/phone camera
- Capture images from different photo shoot sessions
- Collate your photos into a digital or physical photo book (purchase of a physical photo book will incur extra costs to the participant).

Symmetry Supports are currently looking for participants that would like to learn music and/or photography in group sessions (Groups - Min 3 - Max 10 participants).

All skill levels welcomed.

We pride ourselves on our ability to truly connect with participants,
and provide the exceptional, compassionate service they deserve.
